### Objective:

Highly motivated and versatile Software Developer with over 3 years of experience in software development, complemented by a Diploma in Software Development from Southern Alberta Institute of Technology (SAIT). Proficient in Java, Python, and C#, with expertise in Front-End technologies including HTML, CSS, and frameworks such as React, Next.JS and React Native. Eager to leverage my skills and passion for innovation to contribute to dynamic projects.

### Education:

*Diploma in Software Development*

Southern Alberta Institute of Technology (SAIT), Calgary, AB

September 2022 – April 2024

### Relevant Experience:

#### Front-End Developer

Tight Oil Consortium (TecTOC), Calgary, AB

2024 – Present

- Spearheaded the creation of a license request website, enhancing user access to comprehensive analytics tools.

#### Front-End Developer Intern

Southern Alberta Institute of Technology (SAIT), Calgary, AB

Summer 2023

- Led the design and development of a Schedule Distribution System (SDS) using Node.JS, TailwindCSS, and TypeScript, improving schedule visibility and efficiency.

### Skills:

- Programming Languages: Java, Python, C#, JavaScript, TypeScript
- Front-End Technologies: HTML5, CSS, JS/TS, React.JS, React Native
- Tools & Frameworks: Node.JS, TailwindCSS, Next.JS
- Version Control: Git
- Project Management: Jira, Trello

- Proficient in Adobe Creative Suite: Photoshop, Illustrator
- Strong written and verbal communication skills
- Excellent problem-solving abilities, attention to detail and team work
- Fluent in English and French

**Projects:**

- Developed a personal portfolio website showcasing various software development projects and design work.
- Contributed to open-source projects on GitHub, demonstrating collaboration and contribution to the developer community.
